

Contract to Install a Sewerage System

This Contract is entered into on the ____ day of _____, 20__ by and between:

_____, referred to herein as the
"Owner";

and,

_____, referred to herein as the
"Registered Practitioner",

WHEREAS,

A. The Owner desires to have a sewerage system constructed on the property known as
(insert civic address and legal description):

(hereinafter the "Property").

B. The Registered Practitioner is a "registered practitioner" as such term defined in the
British Columbia *Health Act, Sewerage System Regulation 324/2004*, and is licensed
and qualified to install sewerage systems.

C. Another registered practitioner, _____, ("Planner") has
completed plans for a sewerage system upon the Property ("Plans") and has received
a Notice of Acceptance or other acknowledgement, dated _____, 20__ from the
regional health authority for the Plans.

D. The Owner desires to engage the Registered Practitioner, under the following terms
and conditions, in order to construct the sewerage system described by the Plans.

NOW THEREFORE the Owner and Registered Practitioner AGREE:

1. SCOPE OF WORK

- a. The Registered Practitioner agrees to install a sewerage system upon the Property in accordance with the Plans, the terms and conditions of this Contract and the terms and conditions of any attached quotation or estimate. Where any attached quotation or estimate contains any terms and conditions that may conflict with this Contract, the terms and conditions of this Contract shall prevail.
- b. The Plans, specifically those documents on file with the regional health board that were accepted by the Notice of Acceptance described in Recital B, are incorporated into this Contract by reference.
- c. The Registered Practitioner shall mobilize manpower, equipment and materials to the Property and complete construction and installation of the sewerage system in accordance with the Plans. During construction and installation of the sewerage system, the Registered Practitioner shall maintain the Property in a safe condition for all persons who may enter upon the Property or any adjoining staging areas. The Registered Practitioner shall remove all materials and equipment from the Property and leave the Property in a clean and safe condition upon completion of the sewerage system.
- d. The Registered Practitioner shall fully cooperate with the Planner including, but not limited to, informing the Planner of the progress of the work, making the work available for inspection to the Planner and providing any information necessary to the Planner for the drafting and submittal of the Letter of Certification. The Registered Practitioner shall provide the planner with an "Installer's Letter of Certification." Furthermore, the Registered Practitioner shall accept changes to the Plans on account of construction review by the Planner and compensation for such changes shall be as provided in Section 5. The Registered Practitioner shall not make any deviations from the Plans except with the written approval of the Planner.

2. RELIANCE ON INFORMATION PROVIDED BY OWNERS OR OTHERS

The registered practitioner does not warrant or guarantee any other construction document which has been prepared by any party other than the registered practitioner and the registered practitioner is not responsible for verifying the accuracy and completeness of any information provided by the owner or any other third party. The registered practitioner will not be responsible for any errors or omissions in the representations, documents, plans, specifications or designs made by the owner or any other third party. The parties agree that the registered practitioner is entitled to rely on the information provided by the owner or any third party and shall not be liable for any additional work (including reconstruction costs to satisfy legal and regulatory directives), bodily injury, death, property damage, property loss, economic loss or consequential damage of any type caused by inaccurate or incomplete information or an inaccurate or incomplete construction document provided by the owner or any third party.

3. ELECTRICAL WORK

- a. The Registered Practitioner shall (check one):

___ NOT be responsible for securing any electrical permits or engaging the appropriate qualified licensed electrician to conduct any and all electrical wiring, connections or energizing the system.

___ source and engage an appropriate qualified licensed electrician to conduct any and all electrical wiring, connections or energizing the system as a subcontractor.

- b. If neither of these options is checked, the second option shall be deemed checked if electrical work is included in Exhibit A otherwise the first option shall be deemed checked.

4. TIME OF COMPLETION

- a. The services to be performed under this Contract shall be completed on or before _____, 200__.

- b. Time is of the essence for any provision under this Contract; however, delays caused by weather, strikes, lockouts, acts of God or matters beyond the control of either party shall constitute a reasonable delay and will not be grounds to cancel or terminate this Contract.

- c. The Registered Practitioner shall request a time extension promptly upon the occurrence of any action or event causing delay. The nature of the delay, the corrective actions taken and the impacts on the work schedule shall be described to the Owner. The Registered Practitioner shall confirm any agreement regarding extension of time in writing.

5. PAYMENTS AND CHARGES

- a. The Owner shall pay to the Registered Practitioner the total amount owing based on an hourly rate of \$_____ **plus taxes** or based on the attached quote. The Owner shall make payment to the Registered Practitioner as follows:

\$_____ upon the execution of this Contract.

\$_____ on completion of the work described in Section 1d.

Or, optionally, in a single payment for the work described in Section 1.

- b. Payment shall be due within 30 days of the completion of each phase except that payment due upon execution of the Contract shall be due at the time of execution.

- c. The Owner acknowledges that constructability review may result in additional work to the project than that initially indicated upon the Plans. The quotation provided in Exhibit A includes a ten percent allowance for changes in the scope of work due to constructability review. If additional work is required that will exceed the ten percent allowance, the Owner and Registered Practitioner shall attempt to negotiated an acceptable price and, if necessary, an extension of time to complete this contract. If the price, and time if applicable, is agreed upon, then before such work is commenced the Registered Practitioner shall set forth the agreed upon price and extension of time in writing, with an accompanying description of the work to be performed. If the Owner and Registered Practitioner are unable to agree upon a price or extension of time then the work shall be performed in a reasonable amount of time at the actual cost of equipment, materials and labour plus ten percent for overhead and profit.

6. LIMITATION OF LIABILITY AND INSURANCE REQUIREMENTS

- a. The liability of the registered practitioner, including its officers, employees and agents, to the owner and its officers, employees and agents, for any bodily injury, death, property damage, property loss, economic loss or consequential damage of any type arising out of any work provided pursuant to this contract, whether in contract or tort, shall be strictly limited to the total amount of the payment and charges in Section 5.
- b. As part of the consideration for this Contract, the Registered Practitioner shall purchase and maintain, at its sole cost and expense during the term of this Contract, comprehensive general liability insurance in an amount of not less that \$1,000,000 and providing reasonable coverage of property damage and bodily injury on an "occurrence" basis. Further, the insurance obtained shall extend coverage to the Owner, its officers, agents and employees, as additional insureds.
- c. The Registered Practitioner shall maintain Worker's Compensation Insurance, which shall cover all its employees while performing any work incidental to this Contract.
- d. As consideration for the Registered Practitioner obtaining insurance naming the Owner, its officers, agents and employees as additional insureds, the Owner, and its officers, agents and employees, agree to release and forever discharge the Registered Practitioner from all claims, demands, damages, actions or causes of action for any bodily injury, death, property damage, property loss, economic loss or consequential damage arising out of any work performed under this Contract.

7. OWNER’S RESPONSIBILITIES

- a. The Owner warrants that he or she is the owner of the Property or otherwise has the legal authority to allow, and does so allow, the Registered Practitioner to come onto the Property and perform the required construction and installation.
- b. The Owner shall complete and sign a declaration providing the necessary details, as such details are requested by the Registered Practitioner, necessary for the planning construction and maintenance of a sewerage system upon the Property.
- c. The Owner grants the authority to the Registered Practitioner to bind the Owner, in any sub-contract the Registered Practitioner may enter into, to the same waivers, indemnities and limitations as found in this Contract.

9. TERMINATION OF CONTRACT

This Contract may be terminated with or without cause by either party at any time either orally or in writing. In the event of such termination, the Registered Practitioner shall be compensated for such services as are performed up to the point of termination. Any costs incurred by the Registered Practitioner shall be due and payable by the Owner to the Registered Practitioner within 30 days of termination.

10. NO WAIVER OF PROVISIONS

No waiver of a breach of any provision of this Contract shall be construed to be a continuing waiver of that provision, nor a waiver of any breach of another provision of this Contract.

11. PRIOR NEGOTIATIONS, REPRESENTATIONS OR AGREEMENTS

This Contract supersedes all prior negotiations, representations, or agreements, either written or oral.

12. APPLICABLE LAWS, PARTIAL INVALIDITY

This Contract shall be subject to the laws of British Columbia and any interpretation of the law that may be necessary shall be pursuant to the laws applicable within that jurisdiction. If any provision of this Contract is determined to be invalid, illegal or unenforceable for any reason, that provision shall be deleted from this Contract and such deletion shall in no way affect, impair, or invalidate any other provision of this Contract, unless it was material to the consideration for the performance required. If a provision is deleted which is not material to such consideration, the remaining provisions shall be given the force and effect originally intended.
